

The Snow Gums to Plains Walk

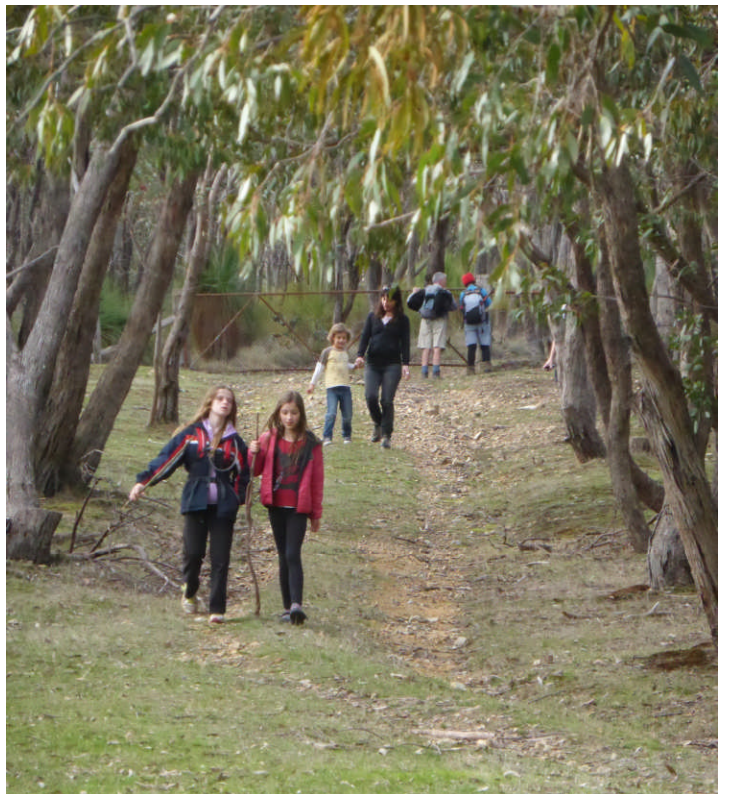

**Sunday 25 October
8.30 – 3.00**

From the Camel's Hump to the plains of Riddells Creek – a rare opportunity to walk from the Snow Gums on Mt Macedon, alpine remnants of an earlier climatic era, down to the grasslands of Victoria's Volcanic Plain. Surprisingly, this only take six hours, and you'll be in excellent company.

We're inviting just 20 adventurers to join us at Riddells Creek Landcare, to stretch out your legs and iron out the creases in your digitally-infused neural networks. Gorgeous country all the way, 16 kms gently downhill.

We'll have a bus (thanks to MRSC) to take you from our finishing point, where you can leave your car, to the start of the walk. There's morning tea and lunch provided on the way. All for \$20.

To book your spot, phone Ross Colliver, President, Riddells Creek Landcare, 0411226519 or email ross.colliver@bigpond.com
